Meme "Jaden Smith." "Roll Safe" meme. Problems aren't really problems if your mind doesn't create them in the first place. Sudden Clarity Clarence knows how ³ it is possible to make a scientific breakthrough in the most inc³ way possible. This rabbit hole goes too deep, Morpheus. It's much easier to make a meme if you can start from a template. Think about memes that are used to express various mental thought processes and reactions. Example #1: Image: A picture of Disney Car Pocahontas with her hair blowing in the wind next to an image of a child with her hair blowing everything on her face. Text: "How ³ I think I look when my hair is blowing in the wind. Vs. Sure, things may seem fun on the surface, but if you really think about it, aren't we all lost and lonely souls looking to use others to escape ourselves? You may have to read that legend a few times. If you're not a chemist. Example #2: Image: An image of a baby raising an eyebrow with a look of skepticism and confusion ³ his face. Text: "You want to tell me that the baby in the mirror is me?" Meaning: babies have to learn everything from scratch, but the smart ones may not be so willing to believe everything, their parents tell them! Example #3: Image: a drawing of a Velociraptor dinosaur with its finger lifted up to its chin as if it were looking at Deep in thought. Text: "If Cinderella's shoe fits perfectly, "why does it fall in first place?" Meaning: Ah! A est to be too many questions in life that the magic ³ simply cannot explain. You may think the latest fashion trend will make you look invaluable, but you may want to think again, my friend. Think of memes as inspired by the mysterious workings of the human mind.
